

## Safety At Play2Day Inflatable Park What to Expect

When you arrive at **Play2Day Inflatable Park** you will find a fun-filled environment, designed to entertain both young and old alike. However, as a family ourselves, we understand that safety is key to ensuring that when you leave, you want to come back time and time again!

Our number one priority is customer safety!

Whilst bouncing around can be dangerous if simple safety rules are not followed, as long as these are adhered to and people are considerate of each other, everyone should be in for a fun time!

You will see our inflatable rules displayed near the arena entrance/exit and will also be informed of them by our arena supervisors at the start of your session. If you are in any doubt, just ask!

We would also suggest that all participants wear long sleeved tops and long trousers to avoid minor friction burns which can occur when playing on inflatables.

### Arena Supervisor

The staff that work at **Play2Day Inflatable Park** as arena supervisors are trained to ensure that everyone has fun in a safe environment. They are there to make sure that the rules are adhered to on the arena and that all activity areas are monitored for safe use.

**Play2Day Inflatable Park** operates a time out system. Any participant endangering themselves or others will be asked to leave the inflatables for 5 minutes and given an appropriate warning. Any subsequent offending behaviour will result in the participant being given a 10 minute time out and warning that their return is their last chance. If they then continue to display offending behaviour, then they will be asked to leave and not permitted to return to any session that day. If an action is considered extremely dangerous then the

arena supervisors reserve the right to ask someone to leave with immediate effect. Our supervisors' decisions are final!

First and foremost, we want every bouncer to leave **Play2Day Inflatable Park** feeling energised after a fun day out! We therefore only work with the most respected inflatable manufacturers to produce the highest quality arenas, as our customers deserve the best the industry can offer! We ensure that all of our equipment complies with all relevant legislation and is maintained by our highly trained staff, who perform both daily and weekly checks to ensure its continued safety.

## **Play2Day Inflatable Park**

**Always watch out for other bouncers, bounce within your abilities and follow the rules!**

- DO NOT bounce on the hatch marked area at the front of the arena, this is for entry and exit only
- Socks MUST be worn at ALL TIMES – No bare feet
- NO climbing on the walls between activities or around the outside of the arena
- NO rough play, wrestling, tackling or shoving
- NO leaning or climbing on netting
- NO sitting or lying on the inflatables
- NO food, drink or chewing gum allowed on the arena
- NO bouncing under the influence of alcohol or drugs
